1. Licensee shall maintain sufficient trash containers to accommodate any additional waste generated. The Licensee shall ensure that all trash containers shall be locked and secured at all times. All trash containers are kept in a neat and orderly manner as to not create any noise issues for neighbors near the Premises.
2. Licensee agrees not to expand the Premises further without, first, applying to the City of Chicago for the right to expand the Premises.
3. Licensee will enforce all applicable City of Chicago and State of Illinois non-smoking laws as they relate to both the interior and the exterior of the Premises.

4. Licensee shall promptly notify the Police, by calling 911, of any illegal activity reported to or observed by the Licensee on or within sight of the licensed premises. Licensee shall document such incidents in a written property incident report retained in a logbook at the Premises.

7. Licensee will close all doors and windows by 10:00 p.m.
8. Licensee will restrict the use of glass bottles or cans at the direction of city officials during certain special events or celebrations.
9. All bar and wait staff will be BASSET or TIPS certified and will be trained to identify intoxicated patrons and take pro-active steps to prevent the over intoxication of patrons.
10. Any security personnel will take reasonable steps relating to patrons entering the Premises to manage any outside lines and will make it a priority to prevent the entry of intoxicated and disorderly patrons.
11. Licensee shall monitor and maintain the occupancy limit certified by the Department of Buildings Commissioner.
12. In the event the Local Liquor Control Commission ("LLCC") receives a complaint, the Licensee shall cooperate fully with any investigation, including, but not limited to, submitting any records requested by the LLCC as provided by the Chicago Liquor Dealer's Ordinance and the Illinois Liquor Control Act.
13. Licensee shall maintain video surveillance for at least 30 days. Copies of the video surveillance shall be made available to the Chicago Police Department upon its request.
14. Licensee agrees to abide by all applicable provisions of the City of Chicago Municipal Code, including not permitting customers to leave the Premises with open containers of alcohol, unless it is a partially consumed bottle of wine for off-premises consumption which has been "resealed" according to the provisions of the Illinois Liquor Control Act.
15. Licensee agrees that this plan of operation cannot be modified or amended without input by the local Alderman.

The conditions of this liquor license are legally binding and may be enforced by City of Chicago enforcement authorities under M.C.C. §§ 4-60-040(h). All other conditions of the license are governed by the City of Chicago Municipal Code. Violation of the above stated conditions may result in the imposition of a fine and/or suspension or revocation of all business licenses issued to the Licensee.

Violations of the above stated conditions may also result in the issuance of cease and desist orders prohibiting the activity which violates the conditions of the liquor license.

The conditions of the business licenses issued pursuant to this Plan of Operation shall apply to the business address and Licensee and to all officers, managers, members, partners and direct or indirect owners of the entity of which is licensed. The sale of the Licensee to other persons purchasing the stock of the licensed entity shall be subject to the same conditions set forth in this Plan of Operation. Any and all potential new owners of the licensed entity shall be subject to the same conditions set forth in this Plan of Operation.

It shall be the duty of every person conducting, engaging in, operating, carrying on or managing the above-mentioned business entity to post this Business License Plan of Operation next to the business license certificates in a conspicuous place at the business address.
